**WE**  
**... are recovery**

***Thank you for your support of the recovery community!***  
Recovery isn't an easy journey and one of the keys to success is not trying to make the journey on our own. We each need loving, supportive people in our lives to encourage us and walk with us. *We need each other.* And when we move forward and make the right choice, we need to celebrate our success! Thank you for being a part of this process!
